How to Read a Citation

There are many different styles for citing a reference, but they all include basically the same information. How do you tell which is a book, or a chapter in a book or a journal article?

**Book** (Chicago Style)

To find this book in the McDermott Library go to the library catalog (or big green Find Books, Videos, etc button) – then FIND IT:

**Chapter or Essay in a Book** (APA Style):

Find this book in the McDermott Library following the instructions above.
Journal or Magazine Article (MLA Style):

To find this journal in the McDermott Library go to the library catalog (or big green Find Books, Videos, etc button) Then FIND IT:

Now click on the full text link vol. 8- (1995-)

For more information on Citation Style Manuals, RefWorks (a citation management software package), finding resources in the library, or other library-related topics call the Reference Desk at 972-883-2643 or use our Ask a Librarian Service at
